A stone plaque with a scalloped top edge and a rough, natural bottom edge. At the top, there are two stylized floral carvings with long stems and leaves. Below the carvings, the text "ALPE TZA FONTANEY" is engraved in a simple, sans-serif font. Underneath this, the elevation "M. 2302" is also engraved. The plaque is mounted on a larger, textured stone wall using several small, dark, round fasteners.
